Dear Friends

Do you sometimes feel secretly like an outsider? Are you fearful of rejection? Sometimes past experiences of rejection from religious groups can leave a long shadow, blocking out the light of the Son from our lives.

Judaism in the first century was a religion that placed great emphasis on being ritually clean. If you were ill or disabled or different from the norm in some way, you would probably be counted as ritually unclean and would be rejected, excluded and counted as lost to God.

Jesus' great revolution in the history of religion was rejecting the idea of ritual purity as a necessary prerequisite for salvation. Jesus placed Judaism, a religion of rigid ritual purity laws that acted like a fence to keep so many people outside of God's love, with a religion of empathy, radical compassion and inclusiveness made possible by his saving death on the cross.

On one occasion Jesus was surrounded by densely packed crowds of people and a woman, who had suffered from severe bleeding for twelve years (and spent a fortune on doctors' fees without being healed), crept up behind Jesus and secretly touched his robe.

Why the secrecy? Because she, as an unclean, rejected woman, was afraid that Jesus would be angry, as by touching his garment, she would also make him ritually unclean.

But the reverse happened. Her hidden act of faith meant that Jesus healed her. Jesus' holiness could not be cancelled by contact with a disease or illness, and the woman could feel in her body that she had been healed.

Jesus felt the power go out of him and asked, "Who touched me?". The woman was terrified because she expected Jesus to reject her as the Jewish religious leaders would have done,

because of the belief that contact with her had defiled him.

But Jesus wanted to see who had such incredible faith that they had been healed by him without his knowledge.

His words spoken to the woman as she fearfully confessed what she had done reveal how wonderful and deep the love of God is for all his children.

“Daughter, your faith has made you well. Go in peace.”

“Daughter”, what more loving acceptance could there be than this? If you doubt that God loves you, remember you are a son or daughter of God.

Our job is to receive that acceptance and love for ourselves and then to pass it on to anyone who feels like an unworthy outsider. Yes, we call people to faith and repentance, but always from a starting place of acceptance, welcome and love.

May God assure you of his love for you and fill you with his peace.

With much love!

*Mark*

## **PASTORAL NEWS**

The year does seem to have started with a few hazards. Some of these have been caused by the weather and a few people have fallen on the ice. Others have fallen too, but at home, which isn't always the safe place we imagine. Young or old we do have to be aware in the home of things that can trip us up, in more ways than one.

Richard Humber had a nasty fall indoors but he is now up and about and recovering.

The other major hazard seems to have been flu with a heavy cold or cough. Both Ruth Sayers and Roslyn Prowse are now recovering but we also remember Roger who is having a procedure next week.

There are quite a few with ongoing concerns in our fellowship, so please pray for:

Olly Branch and family, Velma, Tom and family, Krisztina Schreiner, Jenny Johnson, Jane Swain, Val Urban and Veronica Willans.

Also those who can no longer attend church:

Bill and Elizabeth Allen, John and Sandra Carpenter, Brenda and Jack Passmore.

I expect many of us also try to keep an eye on vulnerable neighbours. We also pray especially for those who are without family.

### ***Psalm 19***

***The heaven declare the glory of God.***

***The skies proclaim the work of his hands,  
Day after day they pour forth speech, night after night  
they display knowledge.***

***There is no speech or language where their voice is not  
heard.***

***Their voice goes into the earth, their words to the end of  
the earth.***

## ***For Nothing is Fixed***

***For nothing is fixed  
forever, forever, forever,  
it is not fixed;  
the earth is always shifting,  
the light is always changing,  
the sea does not cease to grind down rock.  
Generations do not cease to be born,  
and we are responsible to them  
because we are the only witnesses they have.  
The sea rises the light falls,  
lovers cling to each other,  
and children cling to us.  
The moment we cease to hold each other,  
the moment we break faith with one another,  
the sea engulfs us and the light goes out.***

**JAMES BALDWIN**

## **FOODBANK**

***Can you add one extra thing to your weekly shop?***

There is even more need for food bank donations in the St Albans area. All DSBC food donations are now sent to the St Albans and District Foodbank run by the Trussel Trust Charity whose depot is in Redbourn, who also collect from the Foodbank baskets placed in many of the local supermarkets and the Town Hall and the Verulamium museums.

You can now access the shopping list needs on a free app called 'Bank the food', however, it seems that the most urgent needs are:

LONG LIFE JUICE  
LONG LIFE MILK  
MULTI SURFACE CLEANER  
LUNCH BOX SNACKS  
TINNED CUSTARD  
TUNNED FRUIT  
TINNED MEAT

If you want to see the full list but cannot get the app speak to me.

If we just add one item to our shopping list we can bring it with us on a Sunday and I can ensure it is taken to a collection point.

Many thanks

*Diane*

### ***Tools With A Mission***

TWAM is a charity which DSBC has supported for very many years, both through planned mission giving and with our various tool collection activities.

Sadly, we no longer organise our annual tool collection event or make regular grants to TWAM through our planned mission giving, such is the effect of the ageing process and the need to tighten our purse strings!

However, we do still support TWAM by passing on donations of tools we receive to Marshalswick Baptist Free Church, who are able to store them and arrange for delivery to depots in Ipswich or Rugby.

TWAM's latest newsletter explains the process:

“We are a Christian Charity that collects donated useable tools, refurbishes them, sorts them into trade kits and ships them to the developing world for livelihood creation.” (Countries in receipt of tools are Uganda, Zambia, Tanzania, Malawi and Zimbabwe together with Burundi, one of the world’s poorest countries, where TWAM’s first container was sent earlier this year.)

“We support local people, meeting local needs with life-transforming skills training projects. We supply tools to equip training centres and to give to trainees when they graduate. With this support we see long-term sustainable livelihoods created.”

They go on to say costs are kept very low, but they still need a lot

of support. Every toolkit sent changes lives and provides hope. Those who receive a toolkit receive the dignity of being able to provide a livelihood for themselves and their families. Each year over 18,000 tools are collected, sorted and packaged by loyal teams of volunteers, but the spiraling cost of shipping means that a further £15,000 is required in order to achieve the goal of sending 25 containers this year.

For more information just google TWAM.

**BMS World Mission** holds a Day of Prayer each year and **Sunday 1<sup>st</sup> February** is the day set aside this year. But the prayer points can be used at any time in order to stand with BMS in prayer for our world.

This year we'll be exploring four themes from Jesus' prayer in John 17, as he prays for his Church to be united, protected, holy and sent into the world. We will look at the ways Jesus' prayer is being answered today and reflect on how we can pray and work with Jesus and join in with his great commission to us.

## **1. Unity of the Global Church: John 17: 11-21**

Prayer focus: Ardi Wiriadinata, The Asia Pacific Baptist Federation

As we pray for unity in the global Church, we pray for unity for the Federation's 65 member nations and BMS partner worker Ardi Wiriadinata as he co-ordinates their outreach work across many nations.

## **2. Protection for the persecuted Church: John 17: 15**

Prayer Focus: Barnabas Hembron, Bangladesh Baptist Church Sangha

As we pray for protection for the persecuted Church, we pray for protection for Barnabas Hembron, who is Mission Co-ordinator at Bangladesh Baptist Church Sangha in Dhaka, and for all Christian churches across Bangladesh.

### **3. Sanctification of the Church: John 17: 16-17**

Prayer Focus: Wissam Nasrallah, Thimar in Lebanon

As we pray for Jesus' followers to be set apart and sanctified, we pray for the work of Wissam Nasrallah, President of the Arab Baptist Theological Seminary (ABTS) as part of Thimar (formerly known as LSESD), and his team, as they demonstrate God's love to the Lebanese people, Syrian refugees and across the Middle East and North Africa.

### **4. Sending of the Church: John 17: 18**

Prayer Focus: Baja from Indonesia sent to JLH, Uganda with BMS People Pool

As we pray for Christians to be sent like Jesus, we pray for Baja, one of the experts who offer their time and skills through the BMS people pool exchange program, sharing their wisdom with brothers and sisters in other parts of the world.

#### **Day of Prayer video message**

In this seven-minute video, Kwame Adzam, BMS' Heart for the Gospel Lead, opens up the themes with a message based on Jesus' prayer in John 17 and shares examples of how he is seeing that prayer answered in the world today.

## ***MISSION NEWS***

**Christian Aid**: Thankyou to everyone who contributed towards Christian Aid's Christmas appeal. The appeal "No Crib for a Bed" will support the many desperate families facing unimaginable hardship following decades of conflict and political instability in Democratic Republic of Congo. Your Christmas Day Service gifts together with the Christmas Post box contributions in lieu of postage amounted to £454.25.

**Christmas Gift Service**: Thankyou to everyone who donated so many gifts and toys for the children of St Albans & Hertsmere Women's Refuge during our Nativity and Gift Service on 14<sup>th</sup> December. This was the 11<sup>th</sup> consecutive year we have supported the Refuge in this way, and 194 individual gifts were donated. After the service all the gifts were bagged up and Natasha & Lauren from SAHWR came along to collect them. They were delighted and very appreciative of the generosity of everyone who contributed and are already looking forward to meeting us next Christmas! Recently I received a letter addressed to all at Dagnall Street from Natasha expressing heartfelt thanks for your kindness and generosity. The letter is reproduced elsewhere in the magazine and I'm sure you'll agree that although it is a small task, it is so very important. Christmas is less than a year away and it's never too soon to start toy shopping!

**Church Mission Partners**: We received acknowledgements from our BMS Church Partner Judy Cook in Thailand and also from the Vokuhl family, who are now seconded to Interserve in Nepal, for the Christmas gift vouchers sent to them on behalf of the DSBC fellowship.

Judy Cook said: "*Thank you so much for the amazon gift card - it is such a thoughtful and generous gift. I trust all is well with you there. Here we are generally doing well though cough and cold season seems to have crept up again. I trust you had a good fellowship and worship over Christmas. With Love, Judy*"

Pippa Vokuhl said: *“Hi Chris - thank you so very, very much for blessing us with this, it was really incredibly generous. We love to rent videos from Amazon prime for family film nights so this will keep us going for a long while! Please do pass on our grateful thanks to all at Dagnall Street for this and all your support - it really does mean so much to us. With our love to you all, Pippa.”*

**Unlock:** Unlock is a small charity established in 1972 to equip Christians in inner city and outer housing estates to be more effective as they share the gospel of Jesus Christ in their own areas. They employ between four and eight paid staff including a network of workers placed in inner city locations across the UK. The charity is overseen by its National Council and like many charities, particularly small ones, has faced financial challenges since the pandemic.

For many years sponsorship of around £25K from the annual London Walks provided over 50% of their annual income. But during the pandemic, although they organised ‘virtual walks’, sponsorship fell dramatically. Last year’s walk however, took place with 419 walkers, and sponsorship reached £24.6K. Like many churches who take part, we tend to encourage supporters to sponsor us as a group. Last year our group sponsorship was £390, so that’s the bar we hope to beat this year!

Plans are well advanced for the 43<sup>rd</sup> London walk which will take place on **Saturday 18<sup>th</sup> April**, in North London. The 2026 Unlock walk will be a hilly one as we visit Hampstead and Kilburn, with the opportunity for those who wish to explore the open spaces and views from Hampstead Heath, one of the highest points in London. Kilburn lies on ancient (pre-Roman) Watling Street which is now the modern A5, and has a very inner-city feel to it, with large Irish, Afro-Caribbean and Middle Eastern communities. Hampstead is a famously leafy suburb, with West Hampstead and Frognal somewhere in between.

The area is well served by train and bus services, including Lon

don Overground's Mildmay Line. The route and church visits are still to be finalised, but as ever there is a fascinating mixture, each with its own story of God's work to tell.

Dagnall Street folk have supported Unlock Walks from the beginning, and I've no doubt we will support this year's as well and maybe even increase the sponsorship of last year. A challenge and date for your diaries!

### *Chris Penn*

I have been unable to download Judy Cooks prayer letter this month as it hasn't been sent as a pdf. I'll try and sort it out for next month. You can access it on the BMS website.

## ***The Patent Robo-Lambkin***

Christmas is a season  
To make the children smile  
A time for cards and carols  
And presents in a pile

But sometimes it's a struggle  
To know just what to do  
Tradition, innovation  
To find that balance too

The patent robo-lambkin  
Is sure to give a lift  
To any festive season  
She has that special gift

She's gently reassuring  
With her woolly coat  
It's comforting and warming  
And on her you will dote

Her built in AI powers  
Will sense just how you feel  
The special electronics  
Send pulses to each wheel

She makes a range of noises  
And follows you about  
She soon becomes your shadow  
Of that there is no doubt

She plays a festive soundtrack  
To everyone you meet  
And if she's switched to silent  
She gives a doleful bleat

She even serves refreshments  
On a built-in tray  
And if you pull a lever  
She quickly clears away

The patent robo-lambkin  
Still needs a tweak or two  
At times she throws up errors  
The algorithm's new

There's still a bit of clanking  
From muscles on her jaw  
And sometimes when you leave  
her  
She puddles on the floor

Just like a real lambkin  
She eats all she can see  
She'll shred your wrapping paper  
And then start upon your tree

She'll graze upon your carpets  
And run into your chair  
She may need special cleaning  
By where her wiring's bare [crash]

Perhaps the Robo-lambkin  
Is not the one you need  
To make your Christmas special  
And to be blest indeed

We celebrate another lamb  
Redeemer, Lord and King  
The Christ child in a manger  
If homage we would bring

Emmanuel God with us  
When to his way we keep  
He'll also be our shepherd  
If we will be his sheep

He offers us salvation  
The way to God made known  
Eternal restoration  
There at the Father's throne

**Dear Chris and all the parishioners at Dagnall Street Baptist church,**

On behalf of all the women and children who spent Christmas with us at St Albans and Hertsmere Women's Refuge, we would like to extend our heartfelt thanks for your kindness and generosity.

For many of the families in our care, this Christmas marked a time of transition a move towards safety, stability, and hope.

Your donations helped create a warm and caring environment during what could otherwise have been a very difficult period. The gifts, toiletries, and thoughtful items you provided brought comfort, dignity, and moments of genuine happiness to both women and children.

One mother shared how meaningful it was to see her child smile again, while another woman spoke of how receiving something chosen with care reminded her that she is not alone and that people truly care.

Your support gave families the chance to experience joy, reassurance, and a sense of normality at a time when it was needed most.

These acts of kindness will be remembered long after the festive season has passed.

Thank you for helping us remind the women and children we support that they are valued, supported, and deserving of brighter days ahead.

We wish you a happy, healthy, and hopeful New Year.

With sincere gratitude,  
Staff & the Women and Children of St Albans & Hertsmere Women's Refuge

## THE SCRATCH NATIVITY

Here are some photographs to remind you of the wonderful Nativity we held in December. Especially impressive was the Nativity Oompah Band. And who new that one of the wise men played the tuba!

## ***FINANCIAL SUPPORT FOR THE CHURCH***

As we all know our household bills are rising and the cost of heating and lighting the church is no different to the energy costs at home. Our church relies on raising its own income. Some of this comes from hiring out our rooms, but the majority comes from congregational giving. There are various ways in which this can be done. There is a plate by the door of the church for cash and offering envelopes.

We now also have a contactless offering device which accepts card or phone payments of specific amounts and this is also by the main church doors on Sundays. These donations are completely anonymous.

We are happy to receive bank transfers and standing orders and the details are below:

If you decide to make an offering in this way, it is helpful if you are able to email our Finance Manager, Liz Blight,  
***lizblight@gmail.com***, so that she can connect up the entry on our bank statement.

Thank you for your generosity!

'Share St Albans' is a 'library of things' where we lend DIY, garden, kitchen, party items or something for your home. Set up for St Albans and district to borrow not buy. Whether you want to loan a gazebo or DIY equipment we are here to share and reduce our collective environmental footprint and have a collaborative community.

By borrowing something for a small fee you can save yourself money, save on space needed for storage and help to save the planet.

## **THE HARE**

***In the black furrow of a field,  
I saw an old witch-hare this night,  
And she cocked a lissome ear  
And she eyed the moon so bright,  
And she nibbled of the green;  
and whispered “wh-s-st! witch-hare,”  
Away like a ghostie o'er the field/  
She fled, and left the moonlight there.***

**THE NEXT DATE FOR COPY FOR THE  
MAGAZINE WILL BE THURSDAY,  
12th February, 2026**

I have been reading a very interesting book 'Normal Women' by Philippa Gregory. It is a factual history of women since Anglo-Saxon times and how conditions have changed for normal women. It's full of fascinating facts about women. In Anglo-Saxon times we were revered and mostly on equal terms with men in the hierarchy and in business. Then William the Conqueror and the French court changed all that. I was interested to read that in the 17th century women were famous bare knuckle pugilists and most of the revolts were initiated and led by women. Also during the Crusades there were bands of women who were also part of the Crusade. There is hardly any mention of women in the Magna Carta or on the Bayeaux Tapestry and history seems to ignore the very clever women who initiated technology and learning.

I also watched a very interesting programme about Julian of Norwich. She was an Anchoress in the 14th century and lived in one room attached to a church for 30 years. But she wrote a book called 'Divine Love' which could have been classed as heretical but never was. She wrote it in old English so the lower classes had a chance of reading it. She was very unusual because it was believed that her status would not have led to her being able to read and write. She apparently taught herself. Her original manuscript has disappeared, but copies were made. Her famous motto from the book is 'Sin is inevitable, but all shall be well, and all shall be well, and all manner of thing shall be well'. Her cell can still be visited (it has been rebuilt as the church was bombed during the war) at St Julian's Church, Norwich.
